QUESTERS & FRIENDS

Alumni Programme

questers /

Welcome to

QUESTERS & FRIENDS

Questers' Alumni Programme

Being a leading tech hub for more than a decade, we've had the pleasure to meet, work and partner with a myriad of great people with whom we have built strong and lasting relationships. Plenty of other incredible people are yet to come and join our community.

Having a network of exceptional people who always strive to

excel and achieve more is a truly amazing experience. Therefore, we build a community to stay connected, explore new opportunities together and support everyone who one way or another has been part of Questers.

Find out more about Questers & Friends - our Alumni Programme and get an overview of the fantastic range of perks we have for you.

OFFICE SPACE

Every Questers Alumni member is welcome to come and work (or simply hang around and have fun) in our fantastic qClub and qTerrace.

To do so simply send us a note to register at meetingroom@questers.com

TRAINING

At Questers we are devoted to continuous learning and development and to further encourage it we have launched an exciting Training programme consisting of several initiatives:

LUNCH WITH THE GEEKS

Knowledge-sharing sessions aiming to help our community members share their expertise and point of view on different technological topics in an interactive manner, favouring discussions with colleagues and alumni members. Participants enrich their technical knowledge, while gaining higher awareness of the community's know-how.

Our Refer-a-Friend Programme is open to everyone.

For bringing your friends into Questers, as part of our Community, you will receive an additional bonus to our standard

rewards. For an up-to-date information about the current Refer-a-Friend Bonus don't hesitate to contact us.

We will be expecting your referrals at recommend@questers.com

**REFER-A-FRIEND
BONUS**

BEYOND THE KEYBOARD

Soft skills training initiative for techies aiming to improve interpersonal skills that enhance individual's everyday interactions, job performance and career prospects. Unlike technical knowledge, soft skills relate to the ability to effectively interact with co-workers and customers, and are broadly applicable both in and outside the workplace.

TECH MEET-UPS

Knowledge-sharing technical seminars intended for the improvement of technical knowledge of the local IT community.

Details about the upcoming training initiatives can be found in the Questers & Friends Facebook Group.

REFER-A-CLIENT PROGRAMME & BONUS

The Refer-a-Client Programme is also open to both internal and external referrals and is aiming to express our gratitude to you for referring us to a new business partner.

To do so drop us a line at sales@questers.com

Bonuses will vary depending on the opportunity.
